A Note for our Consignors and Buyers:

The Indiana Belgian Breeders Stallion Service Sweepstakes Committee would like to reach out to you today to let you know we will be continuing with the online format this year! We will again be partnering with Willoughby Sales to host the auction in a virtual format. Eligibility for consignors in this sale remains the same: you can have bred to this stallion at any time this spring (before or after the auction). The auction will be held online from March 5-8th.

How to Register and Bid:

You can register to bid, by going to www.wllivestock.com. You will see a list of sales in date order at the bottom of the page. Our auction is already posted on the site. Once you register to bid, and the auction starts you can bid on the services. Check out the different View options either Grid or Catalog seen in the top right! Remember you can use the "Max Bid" feature which will bid on your behalf if you cannot watch the entire sale! The team at Willoughby Sales will contact you consistently throughout the auction letting you know where you stand. As a Committee, we are here for you, and are willing to help you any way that we can. If you have questions or need help with the program please feel free to call us. We will be posting more information VERY soon, so please watch our Facebook page!

Happy Bidding!
